Makeke Road water shutdown extended until approximately 5 p.m., today

WAIMEA – The Department of Water (DOW) has extended the current water shutdown affecting Waimea residents located on Makeke Road, between Kaumualii Highway and Huakai Road, until approximately 5 p.m., today.

A DOW crew was repairing a water hydrant lateral, when they encountered damage to the system's main line. The shutdown has been extended to allow the crew to make the additional needed repairs.

The water shutdown was originally scheduled for 10 a.m. to 2 p.m. today.

The DOW apologizes for any inconvenience and thanks Waimea residents for their patience and cooperation while repairs are being made.

Updates will be posted on www.facebook.com/KauaiDow if this time frame changes or new information becomes available.

For more information, call the DOW at 245-5455.
